6+	11+	12 + 1/2CR	(15xCR) + 15	4 + 1/2CR	3+	(7xCR) + 5

Damage from monsters may be all or partially one type based on the idea. Proficient saves and skills use to-hit bonus. Skills and saves not proficient use -2 to +2 depending on the monster idea and story. See reverse for modifications.

Encounter Benchmark: PC levels 1-4:  $\frac{1}{4}$  total levels, 5+  $\frac{1}{2}$  total levels.

For CR6+ the damage is total per round, divide by the number of attacks.
